FOR IMMEDIATE RELEASE

CLOSURES SCHEDULED ON PACIFIC COAST HIGHWAY FOR PAVING WORK (UPDATE)

VENTURA COUNTY – The California Department of Transportation (Caltrans) will close both northbound and southbound lanes on Pacific Coast Highway, starting at the county line and proceeding one mile west, Thursday, June 2, between 6 p.m. and 6 a.m., for pavement work, weather permitting.

Caltrans advises motorists to reduce their speed to 25 mph in the construction zone. Motorists are advised to expect traffic delays. Pilot cars may be used as needed to guide cars through the construction area.

The \$ 3 million resurfacing project will result in a smoother riding surface for motorists and will extend the life of the road. The project completion date is approximately September 2005.
